Privileged as I am to serve as one of your pastors, I have found encouragement in our congregation's heritage of higher education. Since July 2014, I have been working towards my Doctor of Ministry degree through the Methodist Theological School in Ohio, taking one week of class twice per year. From January 28 through March 2, 2019 I will be engaging in a study leave which is in accordance with our United Methodist Book of Discipline. Every four years, a pastor is entitled to four weeks of continuing education/study leave. This is in addition to, not a part of, your pastors' vacation, personal, and sick time.

The leave that I will take is for the purpose of focusing on the research of and writing my thesis. My degree will be in the area of Leadership for Transformational Change. While I will return to worship and my pastoral responsibilities on March 3, 2019 I will continue in my final edits and revisions in anticipation of completion of my degree in May 2019.

My leave has been supported and approved by my District Superintendent, Rev. Linda Middelberg, and by the Staff/Parish Relations Committee of Church of the Master. While I am away, Rev. Jennifer Casey will care for all matters of preaching, leading, and pastoral care. Her Sabbath will remain Friday, with Saturday serving as her day off. Our first class of commissioned Congregational Care Ministers, our Stephen Ministers, and the staff will continue to assist her in caring for the needs of the congregation.

At the end of my study leave I will travel to St. Louis, Missouri, to attend the Special Session of the United Methodist General Conference. As an alternate delegate from West Ohio, I hope to support our Annual Conference's voting delegates and to gather as much information as I can to best lead alongside Pastor Jennifer in the season which follows the sessions' adjournment.

With the exception of travel for General Conference, I plan to remain located mostly at home, studying and writing hosted in another Westerville congregation. I want to remain present with my family, being a committed partner and parent. I ask your patience as I move around the parsonage and our community in allowing Pastor Jennifer to lead and serve. I will not be monitoring my church email account or office voicemail with regularity.

I ask that you keep me and my family in prayer as we engage in this sacred season of study and work. I look forward to being back in ministry with each of you!

**LOVE GOD.
GROW IN CHRIST.
LIVE TO SERVE.**

A NOTE FROM PASTOR JENNIFER

Be still and know that I am God." - Psalm 46:10

After the hustle and bustle of December is behind us, January can often feel like a let-down. The build-up leading to visits with loved ones, exchanging gifts, preparing meals, and celebrating the birth of Jesus Christ is intense. Going back to work, separation from family, and putting away the decorations is a reminder that the practicality of life marches on. It can be difficult to know what to do with our emotions and we often turn our energy to New Year's resolutions.

This year, as others around the world will be ringing in the New Year through parties and celebrating with loved ones, I will be at the Abbey of Gethsemani in Kentucky, engaging in a 5-day silent retreat. During my time I will be completely disconnected from the world. I'll be surrounded by silent Trappist Monks, beautiful scenery, and lots of opportunity to be still and hear God. It is an experience that I am anticipating with an equal amount of excitement and anxiety.

As you enter into this new year, I pray the spirit of Christmas transcends any let-down you may experience. May the Light of Jesus Christ shine so brightly in and through you that you find time to be still and cultivate God in your heart. May 2019 be a blessed year for each and every one of you.

Grace and Peace,
Pastor Jennifer

MISSIONS

THANK YOU! Thanks so much to all who helped make both the 8th annual Progressive Christmas Concert and 3rd annual Soup for Shelter record breaking successes! First, thank you to our awesome choir led by Chris Bowling and accompanied by Tyler Domer, Pastor Jennifer, April Smith, Bev Freeman, Holly and Todd Piper, who served as our caped guides. Additional thanks to Martha Jagucki, Josh Flory, Neil Stutz & Frankie Exley for serving as our greeters and EVERYONE who purchased tickets and attended the events. The concert brought in \$6410 (641 tickets sold!) and Soup for a Shelter raised \$5142.37. In addition, there was \$260 in donations for an estimated grand total of Ta Da.....\$11,812.37!! (Estimated because we don't know exact PayPal amounts.)

FOOD PANTRY DONATIONS

Thank you for continuing to support our neighbors in need through your donations of food and toiletries. You can make an even bigger impact by donating money instead of food items. Food pantries purchase items from Mid-Ohio Food Bank at dramatically reduced prices compared to what we spend at the grocery store. The same \$1 spent at the grocery store on one can of soup could purchase an entire case of soup through Mid-Ohio Food Bank. If you'd like to give a monetary gift to one of the food pantries please indicate your intent on your giving envelope or check.

EL PORVENIR UPDATE

Only 37% of rural Nicaraguans have sanitation facilities. Thanks to the generosity of COM members in 2018, 27 families in the village of La Calera, Nicaragua are starting the new year with new latrines! With our monetary support, the people of La Calera were able to build double-pit latrines for each home. This system is sustainable, as a family can cycle through the two ventilated pits. By the time one is full, the second one is safe to empty out.

In spite of the ongoing political unrest in Nicaragua, the work of El Porvenir continues to get done at near to capacity. The people of Corazon de Jesus in San Lorenzo are looking forward to building their COM-funded community wash station this month. There are 195 residents in Corazon de Jesus, on the edge of the town of San Lorenzo. Community wash stations are clean, concrete facilities where women can wash clothes without having to carry water or clothes long distances to streams. They also include 2 or 3 shower stalls where people can bathe in privacy -- a true luxury for rural people. Washing clothes and bathing with clean water also reduces the incidences of skin infections.

MISSIONS, continued

THANK YOU!

The Missions Committee would like to thank all of the contributors to the Heifer International project during 2018. Church of the Master will send \$5,635.81 to help families in many countries be more self-sustained. Our congregation will receive an ark from Heifer International as we reached the \$5,000 level. Thanks again!
